Subject: Request for Extension of Assignment
Submission Deadline

Dear sir,

I hope you are doing well. I am writing to kindly ask for a short extension on the upcoming assignment submission. In the past few days, I have been working on the assignment to ensure it is clear and of high quality; however, I faced some unexpected challenges that slowed my progress.

Instead of submitting work that falls short, I would greatly appreciate the chance to take a little more time to refine and complete it properly. I believe this will help me express my understanding more clearly. If possible, I would like to request an extension of [No. of days]. I promise I will submit the assignment within the new timeframe. Thank you very much for your time, understanding, and support.

Warm regards,

Subject: Application for Summer Internship Opportunity

Dear Internship Coordinator,

Greetings!

I'm [Student Name], an engineering student, who doesn't just want to spend the summer sitting in classrooms and surfing through theories but wants to actually get a taste of how concepts are translated to reality-which brought me to your organization.

The greatest pleasure I derive from an internship is the possibility not just of gaining skills but also of witnessing the team thinking process, problem-solving and innovation that happens under constraints. I offer curiosity, flexibility and enthusiasm, coupled with a desire to overcome my comfort level, taking on any challenges thrown at me.

I would greatly value the opportunity to contribute to and learn from your team over the summer. I await your guidance regarding possible opportunities or required procedures for application. My resume has been attached for your perusal.

Thanks for your valuable time; I am eagerly waiting to be a small contributor to the commendable work of your organization.

Warm regards,

[Student's Name]
